

# WORD STUDY ACTIVITIES

Create a whole-class semantic 'farm-word' web, joining words as necessary to show relationships. Eg: Start with the word 'barn' as follows....

Use your word web to complete the following individual activities:

- ① Try to classify the words in the word web eg: animals, babies, equipment, produce...
- ② Make a list of compound farm words eg: haystack, farmyard, windmill, horseshoe, scarecrow...
- ③ Make/Solve a word search puzzle.
- ④ Create/solve a crossword puzzle. This can be used as an evaluation exercise.
- ⑤ Place a given number of words in alphabetical order.
- ⑥ Unjumble given words.
